Re: Permit Review Status, Bright Mine, M/021/030, Iron County, Utah

Dear Mr. Bradshaw:

On December 9, 2002, the Division received your large mining plan for the Bright mine. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Joelle Burns  
Minerals Secretary
